### CHAPTER XVII.—Continued.

trailed off into silence. His brown hand, groping before him as for some word at have I said, Bowman? I have made you the finger tips, dropped into his lap.

then, appealing to Miss Arnot, with a sudden, bright, boyish look, "Will you let me

and turned, with a nod and a smile, for took to show yourself down there in Shy-

lightning over the trees, took up his al- will follow us here?"

"Rajah Suran marched upon his elephant to battle. In his army went a youth named Perak, my mother's forefather. At the Emerald Place they met the host of David wagged his head, muttering. Rajah Chulan coming on like sea waves. with horses and elephants like islands and a golden jungle of banners. The armies rushed together. The shock was loud as Gabriel's voice, or the blast that makes all nothing. Bull elephant and bull elephant whetted their tusks and gored; horses bit horses; the dust and the flying of arrows blinded the sky like this morning—not us."

"Here we are, of all places in the world, with Miss Arnot under the same roof! How can we tell if the—the thing—will look for us first? It gave Amat finish this morning—not us." the dust. And Rajah Suran pierced Ra-jah Chulan with an arrow, so that he fell ment and chagrin. dead from his high elephant, like a mon- "I never thought of it!" he declared.

the bravest of all was the young man Perak, my forefather and my mother's, for he raged among them like a tiger's lamely. "We must watch all night." cub among chickens when they run The two men regarded each other st-squawking. So all men cried: 'Perak, lently, with the same queer look of conthe bravest in two armies!"

"The women waited in the city," he continued. "Ampu, the rajah's daughter, sat on a balcony of black stone. She was The night held but one sound, the sound a brave woman of lofty spirit. The army of water—an immense, continual splashreturned and passed below her. She wore ing, mixed with a clean, quick spatter This Ampu was very beautiful, they say Flash followed flash, now separate, now their finest war clothes, and the horsemen and the elephants with painted foreworld. The great raindrops, falling perheads; they all marched by in order, and young Perak among them, on foot, plainly dressed. No word of him had reached lively as hall. The reddish floor of the the city, for the host came in solemnly, tennis court, the gray lines cutting it into from her black stone balcony, and Perak backstop nets shivered out with un-

has missed his aim, gave a short laugh ness erased all these-no common dark-

assed between them, as I have said—as cracking into splinters. Then, quickly as he little butterfly hawk darts from one it had come, the storm swept up the tree to another. She had never heard mountain and away. Stars, brightly Perak's name. He was marching among washed, glittered above the cinchonas.

gleams, powdery specks of radiance, like splashing through puddles.

the sunshine motes in a darkened room. (To be continued tomorrow.) the sunshine motes in a darkened room. She sat looking out from the veranda, thoughtfully. Over a dark fringe of cinchonas the clouds came rolling up, now and then blanched by the warm lightning, that struck through them as through ragged paper lanterns. Thunder had been grumbling in the plains, and now a nearer burst of it came shuddering up the ravine, like surf crashing into a split promontory. "I think," said Mary Arnot, when the sound rolled aside, "I think I understand you, Tuan Rama." Turning, she met his eyes; her own, dark blue and lighted from within, answered him frankly and freely.

within, answered him frankly and freely. "Your story makes me very proud and very glad. If I could show you that I understand—" She paused recalling understand—" She paused, recalling something. A fine color flushed in her cheeks. "Will this help, in part? We, in our tongue, have a poet who tells us-

## "To count the life of battle good, And dear the land that gave you birth, And dearer yet the brotherhood That binds the brave of all the earth."

The sultan whipped out of his chair, wowed to her and stood erect. "Thank you!" His voice trembled with elight. "I thought it was so before. I knew it was so when we met!"

"For thinking of myself," she answered.

At that David forgot everything. It was the fault of her question; her hand; her eyes, that shone so near and with such

wind like straws. "Miss Arnot," he blurted, "there should never be such talk between us!" Her hand was gone in a flash. "Good night, then." Her smile remained friendly, but there was trouble in it and

alteration. "Thank you, Mr. Bowman, and you, Tuan Rama. Yes, Kate, I'm coming." She drew back as Mrs. Hemmes "Good night!" The two women had hardly disappeared question. into the house, when the clouds, rolling up from the plains, carried the breast-

Thunder shook the whole plantation; the air became a subtle white flame, uivering everywhere, and showing all the eaves a brilliant green, all the garden flowers motionless, bright red and vivid white. Then, in blinding darkness, without wind, a few heavy drops of rain spat on the driveway and the steps 'Shower's coming," sald David, gruffly.

In the bachelors' wing, a low, detached ! building on the right, their veranda lamps bers of persons that were to be consid-burned under a trellis or pergola. To- ered members of the tribe, that their ward this the two friends ran, pelted with title to share equally the property of Once in shelter between the lamps Rama the nation had become vested and Con-

and tossed it down to him—to him alone. "Did you see?" David laid his hand on And Perak, catching it, marched on. That Rama's arm. Both men leaned out from he veranda steps. The speaker leaned back in his chair, Some one had appeared for an instant; but watched Miss Arnot eagerly, with some one in white, running toward them, wide, serious eyes. David watched also, through a shower like Danae's turned to The lamplight touched her hair in bronze silver. This person arrived in a hurry,

# HAVE SHARE IN FUND

### Justice Stafford Upholds Department Regarding Money and Land for Cherokees.

Justice Stafford of the District Supreme Court today upheld the action of the Department of the Interior and the Treasury Department, which in construing the act of 1996 relating to "new-borns" among the Cherokee tribes held them en-Footsteps returned along the tiled ve- titled to share in the unaliotted lands and randa. Miss Arnot rose.

"Our hostess has had a long day of it. We shall see each other tomorrow?" And before Mrs. Hemmes came within earshot taining a demurrer by Secretary Ballinthe girl held out her hand quickly to Da- junction proceedings brought by Levi B. Gritts and other Indians of the tribe to prevent the proposed allotment to the 0-59c Stamped Waists-0 newly born children, Justice Stafford sus-"For sending you into danger. As if-as tains the constitutionality of the enact-If- Well, I was ashamed! Have you? ments of Congress relating to this sub-

Gritts and others by leave of Congress in 1907 instituted suits in the United candor. A hundred resolves and cautions, States Court of Claims to determine the well made and long pent, flew down the validity of the laws relating to the 5,600 children born since 1902, when the enrollment of the tribe was authorized. The Court of Claims decided in favor of the validity of the acts. On appeal the United States Supreme Court declared the act of Congress attempting to confer jurisdiction in this matter on the Court of Claims was ineffective as providing only for the decision of an abstract moot

Gritts and his fellow-tribesmen then sought an injunction, to which the Becretary filed a demurrer, claiming the plaintiffs had no standing in court, were attempting to enjoin the United States and seeking to interfere with Congress in its legislation concerning the Indians and with the departments in their administration of the acts of Congress.

Say Congress Limited Tribe.

The Indians claimed that Congress, by its act of 1902, had restricted the numonce in shelter between the lamps Rama broke out laughing, quietly. The rain had streaked his face like tears, and beaded the links of his chain with pendants brighter than glass.

"Not to her!" he panted, holding David's arm. "Not to her! Don't try, my dear chap." His big eyes danced in shrewd and sober mockery. "You cannot talk to women! You have a heart of gold, but the brains of a buffalo!"

In nation had become vested and Congress had lost its power to further legislate in the premises. To this the Secretary Ballinger demurred, claiming that before the expiration of the time for the destruction of the tribal entity Congress, by joint resolution, continued the existence of the Cherokee Nation and thereby retained power to legislate concerning it. The value of the lands and apportionments of money now to go to the Indians born since 1902 to the Cherokee tribe, if Justice Stafford's opinion holds, is estimated at \$5,000,000.
Assistant United States Attorney

luidekoper represented Secretary Mac-David, by no means in such high Veagh, and Secretary Fisher, who was substituted in the proceedings for his predecessor, was represented by Attor-neys Lawler, Clements and Wright.
